

Best Western Plus Quid Hotel Venice Mestre

We CARE about the safety of our Guests and Staff

We implemented the Best Western «**Special Protection**» program:
Best Western commitment in granting the safety of its Guests and Staff

Before your stay:

We enhanced technologies that allow us interaction with Guests:
check-in online and live chat with our reception are possible and
easy thanks to **Digital Customer Journey**

Rooms are **regularly sanitized** with certified equipment.
In addition, according to availability we will do our best to assign
you rooms that were **not occupied in the 72 hours**
prior to your stay.

You will find specific signage and directions in all hotel's spaces in
order to **grant social distance**

Our hotel offers wide areas: sufficient amount of room and space's
organization allow us to grant **safety distance compliance**.

We are at your complete disposal for any further information

Best Western Plus Quid Hotel Venice Mestre

We CARE about the safety of our Guests and Staff

We implemented the Best Western «**Special Protection**» program:
Best Western commitment in granting Guest's and Staff's safety

In Hotel:

All staff wears **safety and protection systems** when necessary

If you don't have them, a **Safety & Security kit**
is available on request

All areas are **regularly disinfected**, **hand sanitizer gel** is
provided in all common areas

To let your day begin with enthusiasm, **breakfast could be ordered in your room or served directly at your restaurant table**, according to social distance and disinfection guidelines

Our **inner Restaurant** will help you to end your day with gusto.
The cordiality and courtesy you are used to are combined to attentions and indispensable actions. All this is extended to **room service too**
